

THE GENERAL COURT OF MASSACHUSETTS
STATE HOUSE, BOSTON 02133-1053

July 20, 2021

Chairwoman Leah B. Gibson
Board of Selectmen
Town of Foxborough
40 South Street
Foxborough, MA 02035

Dear Chairwoman Gibson and Members of the Board of Selectmen:

We write to express our support for the proposed project at 119 Morse Street in the Town of Foxborough. This 52-unit project is subject to Chapter 40B of Massachusetts General Laws and will encompass 25% affordable housing units. We feel this project is consistent with the goals of Chapter 40B and will add much-needed affordable housing stock to the community.

Foxborough has been diligently working to increase affordable housing opportunities for its residents with a consistent track-record of success. As State Legislators, we have supported these efforts and have worked in partnership to bolster the foundational infrastructure needed to support investments of this nature. This project will take advantage of existing sewer capacity and is in a convenient location near the Mansfield MBTA Commuter Rail Station. Upon successful completion of the public process, this project represents a welcome chance to increase housing capacity and boost economic activity in the area that will benefit the community at large.

Please do not hesitate to be in contact with any additional questions. Thank you for your consideration and for your service to the Town of Foxborough.

Sincerely,
